

SPRING 2017

This week we have been delivering assemblies to students on what the meaning of safeguarding is, and we, as a Safeguarding Team, thought it was right to ensure that you are aware too.

Safeguarding is: 'the action that is taken to promote the welfare of children and protect them from harm'.

Students have been learning about some of the ways that we as a school keep them safe. Such as:

- Our robust anti-bullying policy:

- Our dedication to wellbeing in the form of our wellbeing drop-in service. It takes place every lunchtime, in the mentoring room.

E-SAFETY INFORMATION EVENING 28TH FEBRUARY

Thank you to Steve Groutage for delivering an interesting, relevant and thought-provoking session for parents on e-safety. This addressed issues ranging from blocking inappropriate content to age restricted social-media and the dangers of gaming.

REMEMBER THE THREE GOLDEN RULES:

ZIP IT

Keep your personal stuff private and think about what you say and do online.

BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.
