

17th September 2018

Dear Parent / Carer

As part of the enrichment programme at Tudor Grange Academy Worcester, we are pleased to offer the Duke of Edinburgh (D of E) award to year 9, 10 and 12 students this year.

The D of E award is a fantastic opportunity for all students to build new friendships, gain new skills and improve their employability for when they finish their time in education. Completing D of E activities allows students to develop better social skills as they work in teams to set goals, plan events and complete challenging tasks. It forges students into leaders where they assume responsibility for their groups' safety, security and contribution to the school and the award. Employers themselves value the D of E award as evidence of a students' personal and professional attributes such as determination, dedication, organisation, flexibility and resilience.

On Monday, 8th October this year we are holding a Duke of Edinburgh induction evening for parents and students to attend. The bronze award meeting will start at 6pm and the silver and gold award will start at 7pm. The presentation is roughly 20 minutes long and there will be time for questions and comments. Enrolment forms, equipment lists, payment schedules and timelines will be printed in parent packs for your convenience as well as list of where to get key updates and reminders.

Yours sincerely

David Bowyer

Duke of Edinburgh Co-ordinator

Duke of Edinburgh award scheme

Please complete and submit to student services to allow for catering arrangements and printing requests.

I will be attending the D of E induction evening on Monday, 8th October for:

Bronze

Silver

Gold
