Dear Parents and Carers

Re: Appointment of new Principal at Tudor Grange Academy Worcester

As many of you are already aware, Mrs Roach was promoted to the position of Executive Principal last year and has been using her extensive leadership expertise to support other schools in the Trust whilst maintaining her role as Principal here at Tudor Grange Academy Worcester. From September 2019, Mrs Roach will move into her role of Executive Principal on a full time and permanent basis. This role will include Tudor Grange Academy Worcester as one of the schools she supports.

We are delighted to announce that Mr Butler has been successfully appointed to the post of Principal from September 2019. Mr Butler has been based at Tudor Grange Academy Worcester since June 2018 and has worked for Tudor Grange Academies Trust since 2010. We feel very lucky to be able to again appoint a Principal very familiar with our standards and expectations and fully committed to the continued improvement of the school.

We remain very proud of Tudor Grange Academy Worcester and all of the staff and students in the school; we know they will be in safe hands with these appointments.

Yours faithfully

Mrs C Maclean
CEO
Tudor Grange Academies Trust
