

February 2020

Dear Parent/Guardian

Examination Board Contingency Day - Wednesday 24th June 2020

Please be aware of the important information, which affects all students taking GCSE and GCE Examinations during summer 2020.

The Joint Council for Qualifications have set aside Wednesday 24th June 2020 as contingency day in agreement with all Examination Boards if becomes necessary to postpone an exam/s due to sustained national or local disruption arising during the summer examination series.

All examination candidates must be available to attend the school on this date if called upon by the Examination Boards.

If the contingency day is implemented, it will apply to all candidates nationwide. The school has no influence over this and are unable to support any absence related to holidays taken on this date.

Yours faithfully

Mr D Butler

Principal
