

20<sup>th</sup> March 2020

Dear Parents/Carers,

**CORONAVIRUS: Final update of the week**

If this week has taught me anything it is that even the impossible is possible, but only if you are surrounded by the right people. The staff have worked tirelessly this week, especially in the last few days, to respond to ever changing government directives to ensure your children get the best provision possible.

As of today we are closed and our pupils will be working remotely from home via Show My Homework. Work will be constantly uploaded for them and staff will be available daily to respond to any of their questions. It is important that the children don't get out of the habit of learning and a routine to complete this work will be essential for them to succeed.

I said in my letter to you yesterday, above everything else it is people that are important. In these times of unprecedented change and upheaval it is vital that we support and care for each other. If you have any concerns or questions please contact the school at [office@worcs.tgacademy.org.uk](mailto:office@worcs.tgacademy.org.uk). I will send further messages and updates next week.

Thank you for your continued support and patience during these difficult times.

Yours faithfully,
