

Tudor Grange Academy Worcester

13th October 2020

Dear Parents and Carers of Year 6

How to virtually visit TGAW

In past times we have looked forward to the season of our Open Events with a great sense of pride and enthusiasm. So it is with regret that we are unable to welcome our prospective new parents and students on site due to COVID-19. Last year we had over 1000 visitors and we were able to showcase the Academy and demonstrate what a special and energetic place TGAW is.

We invite you instead to join us on a [virtual tour via this link](#). You will see a map of the Academy and you can visit each department by clicking on their dot. There are also Frequently Asked Questions, and their answers, posted on this page. If you need to know anything else, please contact my PA via vailes@worcs.tgacademy.org.uk

Do remember in addition to the Common Applications Form that must be submitted to the Local Authority <https://www.worcestershire.gov.uk/schooladmissions> you will need to complete a Fair Banding Registration Form with us. The deadline is 31st October 2020. [Fairbanding Form](#).

We are liaising with your Primary School about running these tests in early November and will be in touch soon to confirm the arrangements.

Past newsletters are available to read via Parent Post on the website and these and the other pages will give you an additional insight into the varied and exciting opportunities offered by the Academy. It is our belief that every child deserves an outstanding education and I hope that next September this will be your child's experience here.

At this dedicated email address Openevents@worcs.tgacademy.org.uk you can make further requests relating to school life that haven't been answered by our virtual tour. These may relate to SEN or specific site visits. This is a great forum to communicate directly with the leadership team of the school to directly answer any queries you may have.

Stay safe and my best wishes for a happy half term.

Yours sincerely,

Mr D Butler
Principal
