

WINTER WISHLIST

In the season of gift giving, celebration and resolutions, reading should be high on your winter wish list. This winter is a great opportunity to curl up with a good book. Our list, this year, has been inspired by our tutor time exploration of curiosity, courage and commitment.

CURIOSITY— LET IT SNOW

Touching, hilarious and filled with festive cheer, the magic of the holiday season shines on these three interconnected tales of love, romance and breath-taking kisses. The perfect book for a cold winter's night.

COMMITMENT—

CHALLENGE EVERYTHING

Uncompromising, impassioned and, above all, practical, *Challenge Everything* is a handbook for green living and environmental protest from Extinction Rebellion Youth. From peaceful protest to business boycotts and fundamental lifestyle changes, this is an essential guide to tackling climate change and changing the world forever.

COURAGE— CANE WARRIORS

Based on the true story of an eighteenth-century slave uprising, Wheatle's propulsive novel centres on the teenage Moa and the challenging decisions he must make as a 'cane warrior' fighting for freedom from the Jamaican plantations.
