

Monday 21st September 2026

Dear Parent/ Guardian,

RE: 5km event

We are pleased to announce that this years TGAW 5km run will take place on **Friday 9th October**. All students are invited to take part to either walk, run or race in either their normal PE kit or in fancy dress. The course starts at the school gates and finishes on the academy field and takes in views of Perdiswell Park and the golf course as well as short sections of the canal. At the finish line students will be rewarded with refreshments and a goody bag for their efforts. Additional snacks and drinks will be available to competitors and spectators, for a small fee.

The event will start at 3.30pm with an estimated finish time of 4.30pm. We are again suggesting a donation for entry with all proceeds raised split between the British Heart Foundation and Larsons Pride. This year is particularly poignant as we honor the memory of Malcolm Trumper, one of our dedicated British Heart Foundation volunteer contacts, who sadly passed away earlier this year. We are sure family and friends will support with donations for such good causes. Please ensure you have completed the online reply slip and any donations to student services before the deadline of Thursday 8th October.

[5KM Run - Friday 9th October 2026 – Fill out form](#)

The 5km course is challenging, but staff will be on the route marshalling and cheering students on. If you would like to join us on **Friday 9th October** to support this fantastic event, then please specify on the online reply slip.

We look forward to another exciting event and seeing you there to support all the students taking part.

Yours sincerely,

Mr Dent

Race Coordinator
