

# Aimee Bainbridge

2010-2017

Hi I am Aimee and I studied at Tudor Grange Academy School and Sixth Form and am employed as an EHCP learning Mentor/ Teaching Assistant at Tudor Grange Academy.

I completed my photography A-level during my time in the Sixth Form and am currently studying for my psychology A Level whilst in employment. During 2017—2018 I successfully completed a Level 2 Teaching and Learning Support in Schools apprenticeship and from September 2021 I will be studying my mathematics A Level which will allow me to study the Level 5 Teaching and Support qualification which will give me teacher status and allow me to specialise as a maths teacher.
