## 2011-2018

This is me on my graduation day at the University of West England Bristol. I graduated with a first class in my dissertation on the Rehabilitation of Terrorist Offenders in UK Prisons and an overall 2:1 in my Criminology degree. I am now going on to apply for the degree holder detectives roles in the police both in West Mercia and the Met.

Whilst at Tudor Grange Sixth Form I studied Travel & Tourism BTEC level 3, English Literature A-Level & Criminology. Without the support from the teachers at Sixth Form I would not have been able to attend university or achieve such amazing results!
