

George Fall-Taylor

2013—2019

I studied at Tudor Grange from 2013 to 2017, and then became part of the Sixth Form between 2017-2019 where I studied English Literature, history and business studies. I have since gone on to study history and politics at Nottingham Trent University, graduating in the summer of 2022.

During my final year of university, I have been lucky enough to be elected the President of the University tennis club, helping build the club to a record number of members. I have continued part time employment during my studies in retail where I hold a management position. I am looking forward to tennis coaching in America during the summer of 2022 and upon my return I will be looking for graduate opportunities in a variety of different fields.
