

Tudor Grange Academy Worcester

Alumni

# Madison Parsons

## 2010–2017

**During my time at Tudor Sixth Form I studied; Music, Geography, and Psychology A-Levels. Following on from this, I went on to study a Music Business degree at the British and Irish Modern Music Institute, followed by a Master's degree in Music Entrepreneurship from Falmouth University obtaining two first class degrees.**

**After finishing my undergraduate degree, I launched my own business, Four Severn Nine, working as a Marketing and PR Manager for upcoming musicians, and continued to build this during my masters. At the start of this year, I joined the business affairs department at Birmingham Ceremonies, in preparation for the open and closing ceremonies for the Commonwealth Games taking place in Birmingham 2022.**
