

# Emma Saunders

## 2015 -2021

**Whilst at Tudor Grange Academy's Sixth Form I studied English Language Business Studies and Sociology A-Levels, alongside an EPQ and Core Maths. I was lucky to be awarded the Rowlands Trust Bursary in Year 13 which has helped toward university living.**

**Currently I am studying English and Business at Loughborough University, with a placement year or study abroad option in my third year.**

**In the future, I am still unsure as to what direction I will take, however I do believe I would like it to something related to the field of English.**
