- Support is in place for all students with additional needs. Students are prioritised and potential NEET students are identified.
- 1-2-1 meetings are held with students and the Career Advisor.
- Students on alternative provision plans may set up work experience placements to provide support within the alternative provision plan.
- Targeted intervention and support with college open days, interview preparation, college, and apprenticeship applications.
- Career Advisor to visit students who are at alternative provisions.
- Mentors work with students who require additional targeted support and where necessary work closely with the Careers Advisor.
