2011-2018

At Tudor Grange I studied English Language, psychology and drama A-Levels. I really enjoyed my time here as the smaller classes suited my learning style and I had a very good relationship with my teachers. The support from said teachers enabled me to get the grades needed to study English Language and Film Studies at The University of Manchester.

It was at Uni I have made friends for life, I had a great time in the film society and playing rugby. This was not only a lot of fun, but it was crucial in developing my confidence which allowed me to pursue a career in advertising in London.

Now I am in London, enjoying city life and doing a creative job I very much like and this stems from my time at Tudor Grange Sixth Form, for which I am extremely grateful.
